

# PREVENTION COALITION OF HURON COUNTY NEWSLETTER

APRIL 2026

## Coalition Updates

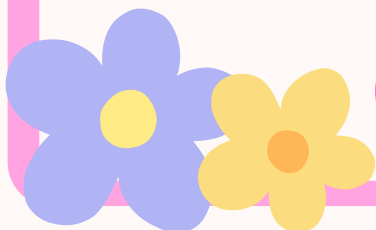

Huron County Public Health recently received 3 new prevention grants from the Huron County Mental Health and Addiction Services Board (MHAS). These grants and their amounts are: State Block Prevention grant \$33,414.00 Federal Block Prevention grant \$44,004.00, and Project Gambling Prevention \$19,456.00. With these new funds, the Prevention Coalition of Huron County will be working to expand prevention efforts in the county. The coalition has begun partnering with the 7 school districts in Huron County plus Bellevue schools to provide prevention materials. The coalition will work internally to expand prevention efforts in the members' agencies and among their networks. The coalition has been able to provide alcohol impairment goggles as a learning tool for Norwalk City School's driver's education class. The coalition will provide sober positive materials for proms.
