

STS Installers

DISCLAIMER:

Sewage professionals (including sewage treatment system installers, sewage treatment system service providers and septage haulers) are required by Ohio Revised Code Chapter 3718 and Ohio Administrative Code (OAC) 3701-29-03 to register with each local health district where they perform work. To register in Huron County, professionals must submit required documentation in accordance with OAC rules and pay the registration fee(s) established annually by the Board of Health.

Below is a list of providers currently registered to perform work in Huron County. Huron County Public Health (HCPH) provides this list solely as an informational courtesy to residents. HCPH does not endorse or recommend providers on this list and assumes no responsibility for service provision, pricing, or performance.
