Sports Physicals and Back-to-School Appointments at the Health Center of Huron County

Norwalk, Ohio – As August approaches, the 2022–2023 school year will kick-off with Fall sports, and students participating in sports are required to have a sports physical on file. The Health Center of Huron County has appointments available Monday–Friday for students in all grades and sports, with clinic locations in Norwalk and Willard.

In addition to sports physicals, back-to-school wellness visits and immunization appointments are also available. There are certain immunizations required for each age group of students, and the 2022–2023 required immunizations through the Ohio Department of Health (ODH) can be found at <https://bit.ly/3HSycqh>.

The Health Center of Huron County is a Vaccines for Children (VFC) provider and does not turn children away for family's inability to pay. Medicare, Medicaid, and most private insurances are accepted as well.

To schedule an appointment, please call the Health Center of Huron County at 419-668-1652 ext. 241. Clinic locations and hours of operation can be seen below.

<i>Norwalk location</i>	<i>Willard location</i>	<i>Hours of Operation</i>
