2026 PROJECTS SUSTAIN

Willard Kiddie Land

The Willard City Park is proud to announce the opening of the new section Kiddie Land! Although it is not completely finished just yet, it is safely open to the public as of 10/16. There will be light construction to add in tables, benches, and a new fence over the fall. The City of Willard Parks and Recreation will host a ribbon-cutting ceremony next spring once everything is installed and winter has passed. Sydney sent out a press release on 10/22 and took usage count numbers on 10/25.

Greenwich Bike Infrastructure

The Greenwich Bike Infrastructure project is now completed! All hydration stations, bike racks, and crosswalk signage pieces have been installed. Sydney sent out a press release on 10/20 and took usage count numbers on 10/25. wrapping up this project.

LOOKING AHEAD

Looking ahead to fiscal year 2027!! It is never too early to start coming up with ideas for our fiscal year 2027 project list.

Sydney would love to have some ideas early, so she can present them to ODH when she returns from her leave.

A couple of ideas that have been pitched already:

New London- teaching kitchen for a healthy eating strategy at the Boys and Girls Club.

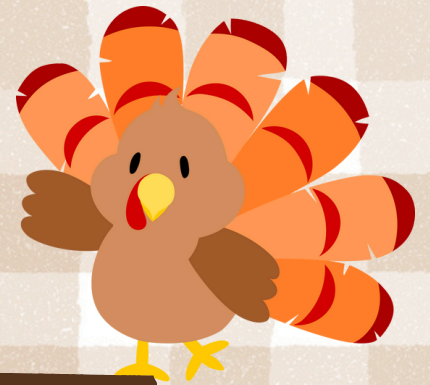

Norwalk- the Maple Lot for an active living strategy in the downtown area.

Please let Sydney know if you have any project proposals you would like to pitch for 2027!

Everyone who has a project they would like to pitch will have the opportunity to do so, before we vote in the spring :)
