Huron County CHC partners with the Village of Greenwich for Bike Infrastructure Improvements

GREENWICH, Ohio- The Creating Healthy Communities (CHC) program at Huron County Public Health (HCPH) is excited to announce the new improvements made at the Greenwich Grand Slam Park and Huron County Public Library. Huron County CHC funds were used to purchase two hydration stations, two bike racks, and new crosswalk paint and signage between the library and park.

HCPH would like to thank the Village of Greenwich, who helped to make this project possible. The Village of Greenwich has done an amazing job of making improvements to the village and aligning their values with CHC's mission to increase opportunities for active living in our community.

Several photos from the Village of Greenwich revitalizations can be seen on the following page.

HCPH would like to invite any individuals, agencies, or organizations interested in getting involved in the work of CHC at the local level to complete an interest form at:

<https://www.huroncohealth.com/creatinghealthycommunities> or to contact the CHC Coordinator, Sydney Raifsnider, directly at sraifsnider@huroncohealth.com or 567-244-3248.
