Huron County Public Health Publishes Annual Report

NORWALK, Ohio— Huron County Public Health (HCPH) is pleased to share the agency's 2025 Annual Report. The report outlines programs and services offered by HCPH, and shares a recap of annual data and statistics from each of the agency's divisions including the Community Programs Division, Environmental Health Division, Medical Division, and Administrative Services Division.

Each year, the report is presented at the annual District Advisory Council (DAC) meeting held in March. The DAC consists of the President of the Board of County Commissioners, the Chief Executive of each Municipal Corporation, and the Chairperson of the Board of Township Trustees of each Township in Huron County. Members of the Huron County Board of Health are also in attendance, and Huron County residents are welcome to attend, as the meeting is open to the public. This year's DAC meeting was held on Thursday, March 26, at 5:30 p.m. at the Monroeville Athletic Complex (MAC) at Monroeville High School.

HCPH invites the public to view the Huron County Public Health 2025 Annual Report, available on the agency website at www.HuronCoHealth.com/About-Us/2025-Annual-Report.
