

COMMUNITY BULLETIN

CCI: The New Community Tobacco Cessation Initiative Coming to Huron County

WHAT IS CCI?

The Community Cessation Initiative (CCI) is working to provide tobacco cessation and relapse management services to all Ohioans, with special attention to populations more heavily affected by tobacco use. Together, we will address gaps in tobacco cessation assets and services in our community and work to improve tobacco cessation quit rates across Erie, Huron, and Sandusky Counties.

WHO IS A PART OF CCI?

Firelands Regional Medical Center, Huron County Public Health, Sandusky County Health Department, the Ohio Department of Health, and YOU!

WHAT'S IN IT FOR ME?

HEALTHCARE PROVIDERS	TOBACCO CESSATION PROVIDERS
<p>SERVICE CONNECTION - You can refer patients to us, and we will help connect them with the best-fit cessation service for their circumstances.</p> <p>RELAPSE MANAGEMENT - We will help patients manage relapse, contacting participants several times throughout the months following their participation in a tobacco cessation program.</p>	<p>INCREASED REFERRALS - We will refer patients to your cessation services.</p> <p>RELAPSE MANAGEMENT - We will help patients manage relapse, contacting participants several times throughout the months following their participation in a tobacco cessation program.</p>
<p>OTHER COMMUNITY AGENCIES</p>	<p>REIMBURSEMENT FOR UNINSURED INDIVIDUALS AND DENIED CLAIMS THROUGH CCI - The CCI Grant will pay for uninsured individuals and claims submitted to insurance that have been denied.</p>
<p>WE NEED YOUR HELP! You don't have to be a healthcare provider to refer an individual to the CCI program. Self-referrals are also accepted!</p>	

WHAT DO WE NEED FROM OUR PARTNERS?

Quarterly reporting and data sharing agreements will be essential to the CCI process. CCI's goal is to create a replicable process that can lead to statewide adoption of CCI.
